EXPERIENCE

Intern at Staffinn Solutions LLP [↗](#)

January 2025 - Present

Role - MERN Stack Developer

Jaipur, Rajasthan

- Developing a MERN-based platform to connect job seekers with recruiters and training institutes.
- Built a seamless hiring solution, enabling direct staff recruitment and skill development through integrated courses.
- Optimized UI/UX for an intuitive, scalable, and efficient job-matching experience.

PROJECTS

Saral Safar - Real-time Bus Tracking [↗](#) | IP CCTV, ML, MERN Stack

September 2024

- Developed a real-time bus tracking system with an AI-powered passenger counting system.
- Reduced average wait time by 20 Percent, improving user experience for commuters.
- Data analytics for optimizing bus routes based on crowd density.
- User-friendly interface for easy access to bus schedules and routes.

MediQuery – Smart Healthcare Ecosystem [↗](#) | Python, LangChain, Ollama, MERN Stack

Jan 2025

- Built an AI chatbot to answer 200+ medical queries daily, tracking long-term treatments.
- Smart Health Management – Offers a Smart Health Card and Health Timeline for easy access to medical history, prescriptions, and doctor visits.
- Integrated Healthcare Ecosystem – Connects hospitals, pharmacies, and insurers while integrating government private schemes for financial assistance.

Food Delivery Web App [↗](#) | React.js, Express.js, Node.js, MongoDB

2024

- Seamless Food Ordering – Developed a food delivery platform with secure JWT authentication and Stripe payment integration.
- Responsive UI Design – Designed a mobile-friendly interface using React.js for a smooth cross-device experience.
- Real-Time Order Tracking – Implemented live order status updates and restaurant management for efficient operations.

CERTIFICATIONS

- AWS Solutions Architecture – Designed scalable hosting architectures in a job simulation (Forage, Dec 2024).
- Java Assessment Certification – Successfully passed the Java assessment by LearnTube (Aug 2024).
- Full Stack Web Development (MERN) – 45-day summer internship at Learn and Build (July 2024).
- Career Essentials in Cybersecurity – Completed a cybersecurity learning path by Microsoft LinkedIn (Aug 2024).
